

Lakefield Skating Club - Refund Policy (approved December 15, 2015 - updated May 23, 2024)

Members agreed to the following refund policy. The purpose of the refund policy is to manage refund requests while maintaining a stable revenue base for the Club.

Refunds will be considered within the first 3 classes (including the 3rd class) of a session and the total refund will be calculated as follows:

Total Session Fee

- Deduct the Skate Canada fee
- Deduct the value of 3 classes
- Add the family discount if applicable
- Deduct applicable 'Communiti Fee' (applicable only for credit card payments)

Example Session Fee: \$180

- Deduct skate Canada fee (\$35.00)
- Deduct value of 3 classes (2015/16 season \$15.00 per class) (\$45.00)
- Add family discount (2 siblings) \$25.00
- Deduct 'Communiti Fee' - \$1.50

Total Refund: \$123.50

The Board will also consider refunds for special circumstances (e.g. an injury). These refunds will be considered at a Board meeting.

New registrations will be considered within the first 3 classes of a session and will not be pro-rated unless there is a special circumstance. The Board will consider these special circumstances on a case-by-case basis.
